A Word to Flower Lovers

IN THIS brief price list we make no attempt to describe each plant and shrub. We present it as an expression of confidence. We feel sure that as you examine our plants, check our prices and compare quality, root development, color and the care with which we fill and pack your orders, you will agree that you are receiving the utmost in value. We invite you to visit our nursery, see the growing plants, shrubs, and trees and satisfy yourself that we sincerely believe that your satisfaction is more important to us than the profit we derive.

We wish to share Profits with our customers.

For every order amounting to \$10.00 or more you may choose plants to 10% of your order free. \$11 for \$10 for example.

DIRECTIONS TO CUSTOMERS

ORDER EARLY. We try to fill all orders immediately, but from March to May slight delays are unavoidable, which, however, can be largely overcome by our patrons anticipating their wants and ordering early.

SHIPPING. We send small packages by parcel post prepaid most often, but we favor express shipment in most cases because we can supply better and stronger plants; better packing is possible and more care is taken to prevent freezing in transit.

PACKING. No charge is made for boxes or packing on Express or Freight shipments nor for delivery to Freight Depot or express office in Perry.

SAFE ARRIVAL OF PACKAGES. We guarantee the safe arrival of all goods sent by Express to points within the United States. If a package sent by Express or Mail is injured or lost we will replace it as soon as we are informed of the fact. Goods sent any other way are solely at purchaser's risk. Claims for damages must be made on receipt of goods.

ERRORS. In the press of business, errors sometimes occur, in which event we wish to be promptly notified of the fact, and will make such corrections as will be satisfactory. Please keep copy of all your orders for comparison.

CASH WITH ORDER. Please send money with the order sufficient to cover the whole bill. We cannot send goods "Collect on Delivery" unless remittance is made on account to guarantee acceptance.

REMITTANCES should be made by U. O. Money Order, Express Money Order or Draft on Cleveland or New York Banks. We are not responsible when they are made otherwise.

NAME AND ADDRESS. Please remember to write on each order your **NAME, POST OFFICE, COUNTY and STATE;** also give street and number, post office box or R. F. D. plainly; also the nearest **EXPRESS OFFICE.**

NON-WARRANTY. Most of the failures with seeds, plants and bulbs are due to causes entirely beyond our control, hence it is impossible for us to guarantee success, and although we take all possible care to supply only such goods as will, under proper conditions, produce satisfactory results, we will give no warranty as to description, quality or productiveness of any of the plants, shrubs or bulbs we send out, and will not be in any way responsible for the crop.
